Trejaeren Muirel learns his father may still be alive and takes the road of battle to free

and defeat the ones who took him. His heart is in the right place, but it could be his emotions will decide his fate. Together with a group of Comhar warriors, he seeks justice and the hope to be reunited with his father.

Together the twins set out to defeat Ciardha and her army of evil, Damant. Qynh hopes

of reinstating the alliance of mankind and the Elves - as their destiny declares. Qynh follows the path chosen while the other goes on a more emotional journey. In any way they face great dangers, meeting friend and foe, and risking their lives. Qynh believes she is right.

Dwarves, Elves, magic, heroes, and villains, oh my! Ms. Reinke has developed an amazing world with her gift of wonderment and storytelling. It captured my imagination from

the start and held it all the way through to the end. Time went by quickly while I wandered

the pages of Tiralainn, fully immersed in all its beauty and splendor. There was a sense of emotion as the twins go on their quests; their thoughts and feelings are full
